OFFICE OF LEGISLATIVE COUNSEL

Thursday - 1 September 1960

25X1 1. [] Sam Crosby, of the House Appropriations Committee, called to say that he had an opportunity last night to talk with Chairman Cannon and to bring up our separation pay proposal. He said that Cannon was very much opposed to this. Cannon added that he had wanted to have our people over for a briefing but that it would have to wait until next year. He feels that this proposal is the type of thing that would have to be taken up in a hearing. This message was conveyed to Mr. Houston and to Colonel White.

25X1 2. [] Mr. Moore, in the office of Congressman Peter Frelinghuysen, called to say that a constituent, [] 25X1
[] New Jersey, has recently returned from West Berlin and believes she has information of interest to the Government. Moore asked if we had any facilities for taking care of this. I told him I would check and call him back.

25X1 3. [] I obtained from the House Committee on Un-American Activities a copy of Representative Francis Walter's resolution calling for an investigation of all intelligence agencies of the Government. This resolution was discussed with Robert Smart of the House Armed Services Committee and forwarded to the Director. (See Memo for the Record dated 1 September 1960). *H. Res 640*
